CrossRoads Pre-K is an outreach ministry of New Hope Church. We believe the Lord loves and values children. He views them as special gifts and desires that we give them special attention. It is our goal to help children know Jesus as Friend, Savior and Lord.

“Children are a gift from God.”

—Psalm 127:3

The CrossRoads program is licensed for children 33 months of age through five years of age. The three-year olds’ sessions are open to those children who will be 33 months of age by September 1 and are toilet-trained. Children must be four by September 1 to be eligible for the four and five-year olds’ sessions.

CrossRoads Pre-K

is licensed by the State of Minnesota Department of Human Services, Division of Standards and Licensing.

The Lunch Bunch is an optional add-on to the morning classes. For an additional fee, children can bring a bag lunch and stay until 1:00.

Program

The purpose of CrossRoads Pre-K is to provide an enriching experience in a Christian environment, aiding children in emotional, intellectual, physical, social and spiritual growth.

Cognitive-Orientated Curriculum

At CrossRoads Pre-K, we incorporate the Cognitive-Orientated Curriculum developed by the HighScope Foundation. Our daily schedule is constructed to accomplish three major goals:

1. Provide children with a “plan-do-review” process to help them explore, design and carry out play activities and make decisions.
2. Provide for many types of interaction, including small and large group, adult-to-child, child-to-child and adult-teamwork settings, as well as child-initiated or adult-initiated activities.
3. Provide children with enough time to work in a variety of environments, including indoors, outdoors and in various work settings.
